Using METRO HOT Lanes as a Qualified Veteran

How To Ride

1. Observe the electronic signage at the entrance to each METRO HOT Lane. This lets users know if the lane is open or closed, the occupancy requirement and toll amount. Qualified veterans with or without a valid toll tag must have a qualified veteran's license plate on their vehicle.

2. When approaching the declaration site, the lane splits into two lanes, one for HOV only and one for Toll only. If driving as a single occupant vehicle, the driver must use the TOLL ONLY lane.
3. Qualified veterans can enter the METRO HOT Lane at any of the entrance locations. A map detailing the METRO HOT Lanes network can be found at: RideMETRO.org/Pages/HOVandHOTLanes.aspx

METRO HOT Lanes run in only one direction in the morning and reverse during the afternoon and evening.
